

Freshers CTF Writeup

"Figure out who the man on the right is, and then find out how many businesses he is the director of."

If we try to reverse image search this picture it won't reveal anything on TinEye, Yandex or Google Images. The path forwards that we're looking for is the name on the man on the right's apron, "Clarks Bakery".

We Google for "Clarks Bakery owner" and the top link sends us to an "our story" page.

A screenshot of a Google search interface. The search bar contains the text "clarks bakery owner". Below the search bar, there are tabs for "All", "Images", "Products", "News", "Videos", "Maps", "Web", and "More". The "All" tab is selected. The search results show a link to "Clark's Bakery" with the URL "https://www.clarksbakery.co.uk › our-story". Below the link, there is a heading "Our Story - CLARKS BAKERY" and a paragraph of text: "During this time **Jonathon** came into the business and successfully created our sandwich production supplying Dundee, Abertay and St Andrews University with all ...".

This unfortunately doesn't provide us with anything of use for finding who is in that picture, but does hint towards another business closely associated with Clarks Bakery, The Butcher The Baker.

We head to The Butcher The Baker's page and scroll to the bottom, finding a "Our Team" page, which brings us to the picture shown above!

THE BUTCHER

David Webster is the fourth generation of Webster's Butcher.

THE BAKER

Jonathon Clark is the third generation owner of Clarks Bakery.

We can see that the man on the right is Jonathon Clark. We find that by searching for his name and Clarks Bakery we find the Government page for Clarks.
